FILING CLERK

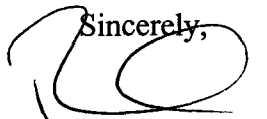

Subject: DVC Enterprises, Inc. d/b/a DVC Telecom
Project No. 30240- Historically Underutilized Business

Dear Mr. Galloway:

DVC Telecom is a telecommunication provider who serves the customers in Texas with local and custom calling features. DVC Telecom has been in the business since 1999, but we have never had more than three (3) employees at any time. We do not request bids on any jobs that our company requires as we are a very small company.

For this reason we are requesting a waiver for the reporting requirement that was due on December 30,2004 for the previous four (4) quarters ending September 30, 2004.

If you should require additional information or if you should have any questions, please contact me Rhonda Peaks 903.792.9577 or Rhonda @dvctelecom.com or 2002 New Boston Rd Texarkana, Texas 75501.

Sincerely,

Rhonda Peaks
DVC Telecom
