(8) Other - Any commodity or service not covered by the above categories.

December 2013

ANNUAL REPORT ON FIVE-YEAR PLAN TO ENHANCE SUPPLIER AND WORKFORCE DIVERSITY CONSOLIDATED COMMUNICATIONS

I. Describe the specific initiatives, programs, and activities undertaken under the plan during the preceding year.

Support all associates' participation in career days, professional development workshops, youth motivation programs and related activities whenever possible.

Encourage associates to serve in leadership positions for community organizations, employment councils, and similar organizations whenever the opportunity arises.

Support associates with particular areas of expertise to serve as volunteers in their communities, to serve on boards and participate in professional groups.

Publicize the achievements of all associates in internal publications as well as in the local news media when appropriate.

Support programs developed by community groups that employ vendors that are minority and owned by woman and other organizations concerned with opportunities for minorities and women (i.e., Buckner Family Place / Women's Shelter offering vocational training and family rehabilitation). Continue to support community organizations, agencies, and activities such as the following: Community and Minority Chambers of Commerce, Area Chambers of Commerce (i.e., Montgomery County Hispanic, Conroe, South Montgomery County and Katy Chambers), Annual Leadership Programs, YMCA Scholarships, Junior Achievement, Education for Tomorrow Alliance (EfTA), Cinco de Mayo, County Youth Associations, Economic Development Groups, Interaction Training, March of Dimes, Special Olympics, Numerous Heart and Cancer Organizations, Gulf Coast Blood Center, and United Way.

Provide recruiters clear and concise explanations of current and anticipated future job openings, position descriptions, worker specifications and CCI'S selection process.

Post available job opportunities on Company web sites.

Post available job opportunities on industry organization web sites.

Continue to review worker specifications to ensure academic, experience, and skill requirements are relevant and necessary to job functions and duties.

Inform all associates involved in recruiting, screening, selection, promotion, and performance management of the Company's EEO policy.

Extend opportunities for additional training to current associates who, with additional training, education or experience may become qualified for advancement.

Provide workforce diversity-related and anti-harassment employee training.

II. Make an assessment of the success of the specific initiatives, programs, and activities listed above:

Company employees actively participate in the following community programs in our service area: Greater Conroe/Lake Conroe Chamber, Lufkin/Angelina County Chamber, So. Montgomery/Woodlands Chamber, Woodlands Kiwanis, City of Conroe, Conroe YMCA, Katy YMCA, Katy Fire & Police Departments, Katy

December 2013

Area Chamber, Jr. Achievement, Special Olympics, March of Dimes, American Heart Association, American Cancer Society, Drive for the Cure (Golfers Against Cancer) Katy ARTReach, Friend of Montgomery Co. Wild Life, United Way, Katy ISD Partners in Education, Lufkin State School Volunteer Services Council, Lufkin Alcohol Drug Council & Diboll Drug Free Program, Diboll Days (multiple charity support), Angelina Beautiful Clean (AB/C), Lufkin Rotary, Arc of Katy, Katy ISD FFA & Rodeo, Keep Katy Beautiful, Needville ISD sports programs & rodeo, Montgomery Co. Fair (affiliate of Houston Livestock & Rodeo sponsorships), Conroe Noon Lions Club, Montgomery Co. Community Foundation, Bridgewood Farms, Education for Tomorrow Alliance (EfTA) science and mentoring programs, Montgomery County Emergency Assistance, Child Advocates of Montgomery County (CASA), Memorial Hermann Hospital (The Woodlands) - Breast Cancer Awareness and Screening, Memorial Health System (Lufkin), Montgomery County Youth Service, and Angelina County Science Fair. These associations bring the company into contact with all groups in the communities we serve and increase knowledge and awareness of business and employment opportunities within the company.

Outstanding employee achievements are publicized extensively through our internal magazine <u>Connection</u>, as well as bulletins, companies e-mail, etc.

Our community participation, as detailed above, has been critical to achieving success and improving diversity in both employment and procurement. Our employees' interaction within the community is the most effective means of identifying and attracting minority employees, as well as potential business partners.

Both internal staff and outside agencies that recruit for the company are given position descriptions and the specific qualifications required of a prospective applicant.

Definition of specific skills and requirements enhances the efficiency of our Recruiting processes and facilitates a successful conclusion to the search for a new employee.

We utilize an internal posting system for all nonexempt positions and many management positions. Employee referrals have been a good source of potential candidates for our hiring needs. However, our Union contract precludes outside hire prior to job posting, and an internal bidding process is required for over 30 percent of the positions within the company.

All employees are informed of the Company's EEO policy through receipt of the policy in the Employee Handbook (available to all employees on the company intranet). All employment advertisements specify that CCI is an Equal Opportunity Employer.

While we have successfully targeted minorities and females through the search firms we utilize, most of the recruiting within the communities served is done through employee referral and/or Internet advertisement. Because of the union job posting/bidding process and extensive staff reduction over the past three years, we have conducted no recruitment from colleges or secondary schools.

All positions recruited externally are posted on the company web site and the Internet. Most successful position incumbents have five or more years of previous work experience.

We continue to provide extensive technical and product related training with service technicians, customer service and sales staff to both enhance our service levels and their own capabilities.

As part of our standard recruitment efforts, we endeavor to recruit minorities and women by the following methods: using the proper EEO identification in help-wanted advertisements, job posting; soliciting employment referrals from existing employees.

As shown above, company employees are members in all local civic and service organizations and are active in discussing and promoting business opportunities available with the company as well as potential

December 2013

employment. Active participation in local Chambers of Commerce has produced good relations with these businesses.

III. Describe the initiatives, programs, and activities the utility will pursue during the next year to increase the diversity of its workforce and contracting opportunities for small and historically underutilized businesses.

The company will continue to emphasize and expand the programs detailed above. The success of these activities, as shown in IV below, demonstrates their validity and the company's commitment to achieving true diversity in both their workforce and procurement practices. Additionally, the company will make a concerted effort to establish closer relationships in organizations with minority and female business membership (preferred vendor) emphasis, in order to promote and increase business opportunities with these business people and will be more active in using publications to promote business/vendor and employment opportunities.

IV. State the specific progress made under the plan filed by the utility:

2013 Hiring Experience

| Gender | White | Black | Hispanic | Indian/Asian | TOTAL |
|--------|-------|-------|----------|--------------|-------|
| Female | 9 | 4 | 1 | 0 | 14 |
| Male | 20 | 1 | 2 | 1 | 24 |
| TOTALS | 29 | 5 | 3 | 1 | 38 |
