Re: Projects 30238 and 30240

To Whom It May Concern:

We are requesting a wavier for these projects due to having 7 employees working in the State of Texas which is under the 25 employees per requirements. We operate in The State of Texas as State Telephone Texas and An Elite State Telephone Company. This will apply to both companies.

Please send confirmation that we are exempt from these projects.

Respectfully,

Debbie Daniels
Operations Manager
State Telephone Texas and
An Elite State Telephone Company
