RE: *Projects 30238 and 30240 – Versatel, LLC- Workforce Diversity Report*

Dear Clerk:

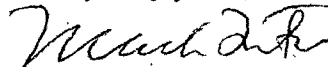

I represent Versatel, LLC ("Versatel"), which is a Texas registered IXC.

This letter serves as the filing from Versatel to comply with the requirements of Section 26.85(i) of the Commission's Substantive Rules. Versatel has authorized me to report that it has fewer than sixteen (16) employees in Texas. Therefore, Versatel is not required to submit a Workforce Diversity Plan and requests a waiver of the requirements to file such plan.

Versatel has further authorized me to represent that it follows nondiscriminatory hiring practices.

Please contact me with any questions or concerns.

Very truly yours,

Mark Foster
