RE: Annual Reports 2004

- 1) Workforce Diversity (WD) Project No. 30238
- 2) Historically Underutilized Business (HUB) Project No. 30240

Dear Katherine Farrell:

PAETEC Communications is a certified Local Carrier in Texas, certification number 60263. We did not provide local service in the calendar year 2004. We currently do not have a physical presence in Texas. We request a waiver of the annual report requirements for the workforce diversity (project no. 30238) and the historically underutilized business (project no. 30240).

If you have any questions, you may contact me at (585) 340-8232 or lori.blakely@paetec.com.

Thank you for your consideration.

Sincerely,

Lori Blakely
