Re: Magna5 LLC, Project Nos. 30238 and 30240

Dear Sir/Madam:

Magna 5 LLC ("Magna5") pursuant to sub chapter §26.85(i) of the Commission's Substantive rules, hereby respectfully requests waiver of sub chapters §26.80, Annual Report on Historically Underutilized Businesses, and §26.85, Report of Workforce Diversity and Other Business Practices for submission of the calendar year 2016 report.

Magna5 provides non-facilities-based interexchange services in the State of Texas exclusively to commercial subscribers. Although Magna5 employs less than thirty individuals in Texas, the Company's Texas employees do not engage in company product or service procurement in Texas. No meaningful report data could be provided to the Public Utility Commission of Texas, accordingly. Magna5 is committed to non-discriminatory employment and procurement practices in Texas and throughout the U.S., and remains alert to procurement opportunities with Historically Underutilized Businesses.

An original and four (4) hard copies of this letter per Project number are also included with this filing. Thank you for your attention to this matter. Questions regarding this filing may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
