Re: Annual 2004 WD Reports-Project Number 30238
Annual 2004 HUB Reports-Project Number 30240

Dear Sir/Madam,

AboveNet Communications, Inc. ("AboveNet") is in receipt of a letter from the Texas Utility Commission ("Commission") inquiring as to the status of AboveNet's filings in the above-referenced projects. AboveNet respectfully requests a waiver of said filing requirements. Currently, AboveNet only has twenty-nine employees in the State of Texas. It is AboveNet's understanding that the Commission grants waivers of these filing requirements to companies with a small number of employees in Texas, such as AboveNet.

Thank you for your time and attention to this matter. AboveNet will presume that a waiver has been granted unless we are informed otherwise by the Commission.

Sincerely,

Jill Sandford
Senior Attorney
