**Re: Exemption of Global Crossing Local Services, Inc. and Global Crossing
Telemanagement, Inc. from Annual Workforce Diversity (WD) and Historically
Underutilized Business (HUB) Reports**

Dear Ms. Ervin:

As we discussed in our phone conversation, we hereby attest that Global Crossing Local Services, Inc. and Global Crossing Telemanagement, Inc. do not currently have any employees or network assets in Texas. Our long distance company, Global Crossing Telecommunications, Inc. is the only entity which has employees in Texas, and it already files the Annual Workforce Diversity report as required. Please exempt Global Crossing Local Services, Inc. and Global Crossing Telemanagement, Inc. from the WD and HUB reporting requirements. We will promptly notify you if there is any change in their status.

Please feel free to contact me if you require any additional information. Thank you for your help.

Sincerely,
