RE: ~~Project No. 30238 (2007 HUB Reports)~~ and Project No. 30238 (2007 HUB Reports)

Dear Sir/Madam:

We are writing in relation to the 2007 WD and HUB reports. Our company, SoftSwitch Communications, Inc., located at 5307 E. Mockingbird Lane, Suite 709, Dallas, Texas 75206, currently employees only 4 people – the President (and owner), a Business Development Director (sales), a Senior Systems Engineer and an Operations Manager. We are writing to request a waiver from filing both of these reports, as the size of our company is quite small – less than 25 employees.

Please let me know if this request is unreasonable so we can proceed with filing the necessary reports.

Thank you,

  
Janelle Kapolczynski-Davis  
Operations Manager
