ORDER NO. 8
CONCERNING INTERVENTIONS

Applicant Wood County Electric Cooperative, Inc. (WCEC) submitted a letter to the ALJ on August 9, 2005, requesting the ALJ to rule on a request by Mr. Clifford Davis to withdraw his intervenor status. The ALJ had not received such a request from Mr. Davis. However, in checking the PUC Interchange, the ALJ discovered and obtained a copy of Mr. Davis' letter, dated June 1, 2005. The ALJ also discovered a request to intervene filed with the PUC by Mr. Glen Rankel on June 6, 2005, which the ALJ also had not previously received. Neither of these documents contained the SOAH docket number, which likely explains why the PUC had not forwarded them to SOAH. In any event, the ALJ makes the following rulings with respect to these interventions:

- (1) It is ORDERED that Mr. Clifford Davis' request to withdraw his intervention is GRANTED. He is hereby removed as a party to this proceeding and is removed from the service list.
- (2) It is ORDERED that any party that objects to Mr. Glen Rankel's request to intervene shall file their objection by August 17, 2005. A copy of Mr. Rankel's request to intervene can be obtained from the PUC Interchange.

Signed August 10, 2005.
