Subject: Project: No. 32182

To Whom It May Concern:

In response to the data request on August 23, 2006, regarding vegetation management and inspection of overhead facilities, Border to Border Communications, Inc. informs the Commission that 100% of our facilities are underground.

To that end, Border to Border Communications, Inc. asks to be exempt from this report, and that this transmittal serves as completion of the requirements set forth in Project No. 32182.
