Re: PUC DOCKET NO. 32707; Rayburn Country Electric Cooperative, Inc. Request For A
Docket Number For: Application Of Rayburn Country Electric Cooperative, Inc. For A
Certificate Of Convenience And Necessity For A 138kv Transmission Line In Van Zandt
And Henderson Counties

Dear Mr. Galloway:

Pursuant to procedural rule 22.52, Rayburn Country Electric Cooperative, Inc. previously filed a preliminary pleading in the above-captioned proceeding requesting assignment of a docket number. According to Commission rules, this action is to be taken no earlier than 25 days prior to making the application. The 25th day, according to my calculations, would be June 9, 2006. It now appears unlikely that Rayburn will be able to file its application on that date. Quite simply, it has taken longer to prepare the application than we had expected. In all likelihood, Rayburn's application for a CCN will be filed with 1-2 weeks after June 9, 2006.

Under the circumstances, Rayburn requests an extension of the 25 days to file its application in Docket 32707 until June 23, 2006.

Yours very truly,

Campbell McGinnis
