**SOUTHWESTERN PUBLIC SERVICE COMPANY'S  
SECOND SUPPLEMENTAL RESPONSE TO  
TEXAS INDUSTRIAL ENERGY CONSUMERS'  
SIXTH SET OF REQUESTS FOR INFORMATION  
QUESTION NO. 6-7**

Southwestern Public Service Company (SPS) files this second supplemental response to Texas Industrial Energy Consumers' (TIEC) Sixth Set of Requests for Information.

**I. WRITTEN RESPONSES**

SPS's written supplemental responses to the TIEC's Sixth Set of Requests for Information are attached and incorporated by reference. Each response is stated on or attached to a separate page on which the request has been restated. SPS's responses are made in the spirit of cooperation without waiving SPS's right to contest the admissibility of any of these matters at hearing. Pursuant to P.U.C. PROC. R. 22.144(c)(2)(A), each response lists the preparer or person under whose direct supervision the response was prepared and any sponsoring witness. When SPS provides certain information sought by the request while objecting to the provision of other information, it does so

without prejudice to its objection in the interests of narrowing discovery disputes pursuant to P.U.C. PROC. R. 22.144(d)(5). Pursuant to P.U.C. PROC. R. 22.144(c)(2)(F), SPS stipulates that its responses may be treated by all parties as if they were made under oath.

## **II. INSPECTIONS.**

If responsive documents are more than 100 pages but less than eight linear feet in length, the response will indicate that the attachment is VOLUMINOUS and, pursuant to P.U.C. PROC. R. 22.144(h)(2), the attachment will be made available for inspection at SPS's voluminous room at 1150 Capitol Center, 919 Congress Ave., Austin, Texas 78701, telephone number (512) 476-7137. If a response or the responsive documents are provided pursuant to the protective order in this docket, the response will indicate that it or the attachment is either CONFIDENTIAL or HIGHLY SENSITIVE as appropriate under the protective order. Highly sensitive responses will be made available for inspection at SPS's voluminous room, unless they form a part of a response that exceeds eight linear feet in length; then they will be available at their usual repository in accordance with the following paragraph. Please call in advance for an appointment to ensure that there is sufficient space to accommodate your inspection.

If responsive documents exceed eight linear feet in length, the response will indicate that the attachment is subject to the FREIGHT CAR DOCTRINE, and, pursuant to Commission Procedural Rule 22.144(h)(3), the attachment will be available for inspection at its usual repository, SPS's offices in Amarillo, Texas, unless otherwise indicated. SPS requests that parties wishing to inspect this material provide at least 48 hours' notice of their intent by contacting Steven D. Arnold of Hinkle, Hensley, Shanor & Martin, L.L.P., 1150 Capitol Center, 919 Congress Ave., Austin, Texas 78701; telephone number (512) 476-7137; facsimile transmission number (512) 476-7146. Inspections will be scheduled to accommodate all requests with as little inconvenience to the requesting party and to SPS's operations as possible.

## **SUPPLEMENTAL RESPONSES**

### **QUESTION NO. 6-7:**

SPS' response to TIEC 1-68 refers to a file named "Linked Files for P-2, 3, 4, 5, 7, 8, 10.xls" found on the native CD previously provided. That file, however, does not show the cost of service study results for the existing rate classes as shown on page SCH8-48 (i.e., RFP Schedules P-1.3 and 1.4). Please provide the same information as provided in "Linked Files for P-2, 3, 4, 5, 7, 8, 10.xls" at existing rates for the existing rate classes.

### **RESPONSE:**

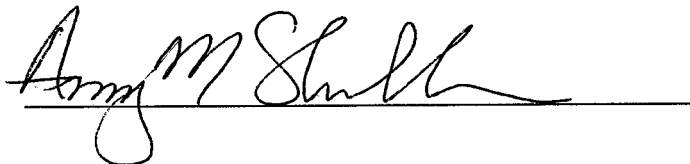

The following replaces SPS's initial response in its entirety:

Refer to Exhibit TIEC6-7(SUPP2)(CD).

Preparer: James C. Jordan  
Sponsor: James C. Jordan

### Certificate of Service

I certify that on the 27<sup>th</sup> day of September 2006, a true and correct copy of the foregoing instrument was served on all parties of record by hand delivery, Federal Express, regular first class mail, certified mail, or facsimile transmission.

A handwritten signature in black ink, appearing to read "Amy M. Shull", is written over a horizontal line.
