Southwestern Public Service Company (SPS) files this fourth supplemental response to AXM's Thirtieth Request for Information.

I. WRITTEN RESPONSES

SPS's written supplemental responses to AXM's Thirtieth Request for Information are attached and incorporated by reference. Each response is stated on or attached to a separate page on which the request has been restated. When SPS provides certain information sought by the request while objecting to the provision of other information, it does so without prejudice to its objection in the interests of narrowing discovery disputes pursuant to P.U.C.
