Payphone Numbers and County Locations

What is the format for Payphone Numbers and County Locations?

Tab **once** between the 10 digit number and the county name and Enter (return) after each number and county - Do Not Use Spaces.

EXAMPLE

512-555-5555 Travis
 512-555-5556 Travis
 512-555-5557 Travis

Nothing else should be in this file except the 10 digit numbers and name of the county location. Save the file as your Login name - (example) **PP010010.txt**. USE A ZERO AFTER PP AND NOT THE LETTER O.

How to list county names:

CORRECT - Travis

INCORRECT - Travis County

Make sure the name of the county is spelled correctly. Click to display a list of Texas counties.

What if there is a problem with my registration?

If any information is not complete or questionable, two copies of your registration will be returned and you will have to re-submit an additional 4 copies of the registration to the Central Records Division.

Please Note: This form is provided for non-confidential, web-based submissions. All confidential submissions should be made on physical media labeled with your company's tracking number. Click here for more information. Two identical

diskettes/CDs with the 10 digit telephone number and county location for each line are still required. If there are **5 or less** you may enter this information in the comments fields.
