CLERK

**RESPONSE OF ENTERGY GULF STATES, INC.
TO CITIES' FIRST REQUEST FOR INFORMATION**

Now comes, Entergy Gulf States, Inc. ("Entergy Gulf States" or "the Company") and files its Response to Cities ("Cities") First Request for Information. The responses to such requests are attached hereto and are numbered as in the request. An additional copy is available for inspection at the Company's office in Austin, Texas.

Entergy Gulf States believes the foregoing responses are correct and complete as of the time of the responses, but the Company will supplement, correct or complete the responses if it becomes aware that the responses are no longer true and complete, and the circumstances are such that failure to amend the answer is in substance misleading. The parties may treat these responses as if they were filed under oath.

Respectfully submitted,

L. Richard Westerburg, Jr.

Question No.: Cities 1- 1

Part No.:

Addendum: 4

Question:

Please provide all workpapers relied upon by the Company in this filing that have not previously been provided.

Response:

The Company objects to this request on grounds that the responsive materials are highly sensitive protected ("highly sensitive") materials. Specifically, the responsive materials are protected pursuant to Texas Government Code Sections 552.101, 552.104 and/or 552.110. Highly sensitive materials will be provided pursuant to the terms of the protective order in this docket.

See the attached public and highly sensitive CDs.

ADDENDUM 1:

The Company objects to this request on grounds that the responsive materials are highly sensitive protected ("highly sensitive") materials. Specifically, the responsive materials are protected pursuant to Texas Government Code Sections 552.101, 552.104 and/or 552.110. Highly sensitive materials will be provided pursuant to the terms of the protective order in this docket.

See the attached CD.

ADDENDUM 2:

The Company objects to this request on grounds that the responsive materials are highly sensitive protected (“highly sensitive”) materials. Specifically, the responsive materials are protected pursuant to Texas Government Code Sections 552.101, 552.104 and/or 552.110. Highly sensitive materials will be provided pursuant to the terms of the protective order in this docket.

See the attached documents.

ADDENDUM 3:

See the attached documents.

ADDENDUM 4:

See the attached workpaper for Mr. Domino.
