Dear Ms. Treviño:

On January 29, 2021 Electric Transmission Texas, LLC filed an interconnection agreement (Item No. 1213). That filing contained confidential customer banking information. We would like to request that this filing be withdrawn from the PUCT Interchange. We will subsequently file the interconnection agreement with that information redacted.

Please feel free to call me at (512) 481-4562 if you have any questions.

Thank you,
