RE: ERCOT Standard Generation Interconnection Agreement ("IA") dated May 29, 2009 by and between Rattlesnake Power, LLC ("Generator") and LCRA Transmission Services Corporation ("TSP"). Capitalized terms not otherwise defined herein shall have the meanings set forth in the IA.

Dear Mr. Pfefferkorn:

Please receive this letter as notice, pursuant to Section 2.1(A) of Exhibit "A" to the IA, of Generator's termination of the IA effective August 1, 2009.

In accordance with the terms of Section 2.2 of Exhibit "A" to the IA, Generator shall pay all costs incurred (or committed to be incurred) by TSP, as of the date of TSP's receipt of such notice of termination, that are the responsibility of the Generator under the IA. In addition, upon such termination, the TIF shall be disconnected from the GIF in accordance with Section 2.3 of Exhibit "A" to the IA.

Please do not hesitate to contact us should you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Shalini Ramanathan', is written over a horizontal line.

Shalini Ramanathan
