EXHIBIT "E"
SECURITY ARRANGEMENT DETAILS

1. As a condition to TSP's obligation to plan, license, engineer, design, procure equipment and materials, and construct the TIF described in Section 8 of Exhibit "C", Generator will provide a financial security ("Security") in the form of one (1) or more letters of credit ("LC"), corporate guaranty, cash deposit or other form of collateral security reasonably acceptable to TSP in an amount totaling One Million Five Hundred Thousand Dollars (\$1,500,000), as required pursuant to Section 8.3 of this Agreement. The Parties hereby acknowledge and agree that Generator has already posted a cash deposit in the amount of Seven Hundred Thousand Dollars (\$700,000) as Security pursuant to the PDA. As a result, pursuant to this Agreement Generator shall provide as additional Security the amount of Eight Hundred Thousand Dollars (\$800,000) within ten (10) business days of execution of this Agreement.

2. Depending upon the creditworthiness of the proposed guarantor, a corporate guaranty may or may not be acceptable Security. If Generator chooses to provide a corporate guaranty, it shall provide any financial reports requested by TSP. If creditworthiness of the proposed guarantor is acceptable to TSP, the corporate guaranty shall be in a form similar to that shown in Exhibit "E-1" or, if in a form not similar to that shown in Exhibit "E-1" in a form acceptable to TSP.

3. LC means one (1) or more irrevocable, transferable standby letters of credit issued by a U.S. commercial bank or a foreign bank with a U.S. branch that has a credit rating of at least A- from Standard and Poor's or an A3 credit rating from Moody's Investors Services. The LC will be maintained with a bank having such credit rating for the entire period that the LC is in effect. TSP reserves the right to request multiple LC providers, depending on the amount of security required. It shall be in a form substantially similar to that shown in Exhibit "E-2" or, if not in a form similar to that shown in Exhibit "E-2," in a form acceptable to TSP. Such LC shall state that it is issued in favor of TSP and specify as its expiry date the date that follows the Commercial Operation Date indicated in Exhibit "B" by one (1) year. Costs of the LC shall be borne by the Generator.

4. TSP may by written notice to Generator require Generator to increase, replenish, or replace the Security from time to time i) if TSP determines in its reasonable discretion that the remaining Security is not adequate to cover the costs that TSP then reasonably estimates could become payable pursuant to this Agreement, ii) in the case of a letter of credit, if at any time the credit rating of the bank issuing the letter of credit is below the credit rating set forth in Section 3 above, or iii) in the case of a guaranty, if at any time the creditworthiness of the guarantor falls below the rate initially accepted by TSP and is no longer reasonably acceptable to TSP. Generator will tender any such increase, replenishment, or replacement to TSP in cash within thirty (30) days of such notice. No forbearance or delay on the part of TSP in requiring an increase, replenishment, or replacement of the Security will be a waiver or its right to do so.

FORM OF CORPORATE GUARANTY

GUARANTY

THIS GUARANTY is executed as of the ___ day of _____, ____ between _____, a _____ (the "Guarantor"), and Electric Transmission Texas, a Delaware limited liability company (the "Counterparty").

RECITAL

Whitetail Wind Energy, LLC, a Delaware limited liability company (the "Company"), and the Counterparty have entered into an Interconnection Agreement, dated as of _____ (the "Agreement"). As an inducement to the Counterparty to enter into the Agreement and for other good and valuable consideration, the receipt, and sufficiency of which are hereby acknowledged, the Guarantor covenants and agrees as follows:

1. Guaranty of Payment. The Guarantor hereby irrevocably and unconditionally guarantees the due punctual and full payment of any and all obligations of the Company to the Counterparty now or hereafter due pursuant to the Agreement or pursuant to Applicable Laws and Regulations (as defined in the Agreement) in connection with the activities of the parties under the Agreement (the "Guaranteed Obligation"), subject to the limits set forth herein. Upon any failure by the Company to pay any of the Guaranteed Obligation, the Guarantor agrees that it will forthwith on demand pay any amounts which the Company has failed to pay the Counterparty, at the place and in the manner specified in the Agreement. This guaranty is a guaranty of payment and not merely a guaranty of collection. The Guarantor agrees that the Counterparty may resort to the Guarantor for payment of any of the Guaranteed Obligation, whether or not the Counterparty shall have resorted to any collateral security, or shall have proceeded against any other obligor principally or secondarily obligated with respect to any of the Guaranteed Obligation. Guarantor reserves the right to assert defenses, which the Company may have to payment of any Guaranteed Obligation other than defenses based on lack of capacity, lack of authorization, lack of due execution, illegality, or limitations of actions, or arising from the bankruptcy, insolvency, or similar proceeding of the Company and other defenses expressly waived hereby.

The Guarantor agrees that, in the event of the dissolution or bankruptcy of the Company, if such event shall occur at a time when any of the Guaranteed Obligation may not then be due and payable, the Guarantor will pay the Counterparty forthwith the full amount which would be payable hereunder by the Guarantor if all such Guaranteed Obligations were then due and payable and in default.

2. Guaranty Unconditional and Absolute. The obligations of the Guarantor hereunder shall be unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by:

(A) any extension, renewal, settlement, compromise, waiver, discharge, or release in respect of any Guaranteed Obligation of the Company;

(B) the existence, or extent of, any release, exchange, surrender, non-perfection, or invalidity of any direct or indirect security for any of the Guaranteed Obligation;

(C) any modification, amendment, waiver, extension of or supplement to the Agreement or any of the Guaranteed Obligation agreed to from time to time by the Company and the Counterparty;

(D) any change in the corporate existence (including its constitution, laws, rules, regulations or powers), structure or ownership of the Company or the Guarantor, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets, the Guarantor or any other guarantor of any of the Guaranteed Obligation;

(E) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Company, the Counterparty or any other corporation or person, whether in connection herewith or in connection with any related or unrelated transaction; provided that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim if such claim, set off or other right arose in connection with the Guaranteed Obligation.

3. Term: Reinstatement in Certain Circumstances. This Guaranty shall remain in full force and effect until the date on which the Company is entitled by the Agreement to a release of its Security provided thereunder. Such termination shall not release Guarantor from liability for any Guaranteed Obligation arising prior to the effective date of such termination (even if the amount of such Guaranteed Obligation is not then fully determined). If at any time any payment of any of the Guaranteed Obligation is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy, or reorganization of the Company, the Guarantor's obligations hereunder with respect to such payment shall be reinstated at such time as though such payment had not been made.

4. Waivers by the Guarantor. The Guarantor irrevocably waives acceptance hereof, diligence, presentment, demand, protest, notice of dishonor, notice of any sale of collateral and any notice not provided for herein, and any requirement that at any time any person exhaust any right to take any action against the Company or its assets or any other guarantor or person. Without limitation of the foregoing, Guarantor expressly waives and agrees to waive its rights under Chapter 43 of the Texas Civil Practice and Remedies Code and releases and agrees to release the Counterparty from its obligations thereunder.

5. Subrogation. Upon making any payment hereunder, the Guarantor shall be subrogated to the rights of the Counterparty against the Company with respect to such payment; provided that the Guarantor shall not enforce any right or receive any payment by way of

subrogation until all of the Guaranteed Obligation then due shall have been paid in full and Counterparty agrees to take at Guarantor's expense such steps as the Guarantor may reasonably request to implement such subrogation.

6. Stay of Acceleration Ineffective with Respect to Guarantor. In the event that acceleration of the time for payment of any amount payable by the Company under the Agreement is stayed upon the insolvency, bankruptcy, or reorganization of the Company, all such amounts otherwise subject to acceleration or required to be paid upon an early termination pursuant to the terms of the Agreement shall nonetheless be payable by the Guarantor hereunder forthwith on demand by the Counterparty.

7. Assignment: Successors and Assigns. The Guaranty shall be binding upon and inure to the benefit of the Guarantor and its successors and assigns and the Counterparty and its successors and assigns. Guarantor may not assign its rights and obligations hereunder without the prior written consent of the Counterparty, and any such purported assignment without such written consent will be void.

8. Amendments and Waivers. No provision of this Guaranty may be amended, supplemented, or modified, nor any of the terms and conditions hereof waived, except by a written instrument executed by the Guarantor and the Counterparty.

9. Remedies Cumulative. The rights, powers, remedies, and privileges provided in this Guaranty are cumulative and not exclusive of any rights, powers, remedies, and privileges provided by law and any other agreement.

10. Limitation. Notwithstanding anything in this Guaranty to the contrary, Guarantor's liability under this Guaranty and the Counterparty's right of recovery under the same shall be limited to an aggregate amount of _____ Dollars (\$_____). Guarantor's liability hereunder shall be and is specifically limited to payments expressly required to be made under the Agreement (even if such payments are deemed to be damages); and in no event shall Guarantor be subject hereunder to consequential, exemplary, equitable, loss of profits, punitive, or any other damages, except to the extent specifically provided in the Agreement to be due from Company. In the event Counterparty engages in litigation to enforce this Guaranty, Guarantor agrees to pay, in addition to any amounts of Debtor, which Guarantor has otherwise guaranteed to pay hereunder, any and all costs and expenses incurred by Counterparty (including reasonable attorney's fees) in enforcing this Guaranty provided Counterparty is successful in such litigation.

11. Representations and Warranties.

(A) The Guarantor is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation and has full corporate power to execute, deliver and perform this Guaranty.

(B) The execution, delivery, and performance of the Guaranty have been and remain duly authorized by all necessary corporate action and do not contravene any provision of law or of the Guarantor's constitutional documents or any contractual restriction binding on the Guarantor or its assets.

(C) All consents, authorizations and approvals of, and registrations, and declarations with, any governmental authority necessary for the due execution, delivery and performance of this Guaranty have been obtained and remain in full force and effect and all conditions thereof have been duly complied with, and no other action by and no notice to or filing with, any governmental authority is required in connection with the execution, delivery, or performance of this Guaranty.

(D) This Guaranty constitutes the legal, valid and binding obligation of the Guarantor enforceable against the Guarantor in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles.

12. Notices. All notices or communications to the other party may be faxed and shall be followed in writing by registered or certified mail, or overnight delivery service to:
