

EXHIBIT "E"
SECURITY ARRANGEMENT DETAILS

1. As a condition to TSP's obligation to plan, license, engineer, design, procure equipment and materials, and construct the TIF described in Section 8 of Exhibit "C", Generator will provide a financial security ("Security") in the form of one (1) or more letters of credit ("LC"), corporate guaranty or other form of collateral security reasonably acceptable to TSP in an amount totaling One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000), as required pursuant to Section 8.3 of this Agreement. Such Security shall be provided by the dates and in the amounts set forth in the following schedule:

<u>Date Due</u>	<u>Amount</u>
Within ten (10) business days after the Effective Date of this Agreement	\$350,000
Within six (6) months after the Effective Date of this Agreement	\$900,000
Within twelve (12) months after the Effective Date of this Agreement	\$500,000

2. Depending upon the creditworthiness of the proposed guarantor, a corporate guaranty may or may not be acceptable Security. If Generator chooses to provide a corporate guaranty, it shall provide any financial reports requested by TSP upon execution of this Agreement. If creditworthiness of the proposed guarantor is acceptable to TSP, the corporate guaranty shall be in a form similar to that shown in Exhibit "E-1" or, if in a form not similar to that shown in Exhibit "E-1" in a form acceptable to TSP. Generator shall provide annual audited financial statements of the guarantor for so long as the guaranty is in effect. In addition, Generator agrees to provide financial information concerning the guarantor as may be requested from time to time by TSP.

3. LC means one (1) or more irrevocable, transferable standby letters of credit issued by a U.S. commercial bank or a foreign bank with a U.S. branch that has a credit rating of at least A- from Standard and Poor's or an A3 credit rating from Moody's Investors Services. The LC will be maintained with a bank having such credit rating for the entire period that the LC is in effect. TSP reserves the right to request multiple LC providers, depending on the amount of security required. It shall be in a form substantially similar to that shown in Exhibit "E-2" or, if not in a form similar to that shown in Exhibit "E-2", in a form acceptable to TSP. Such LC shall state that it is issued in favor of TSP and specify as its expiry date the date that follows the Commercial Operation Date indicated in Exhibit "B" by one (1) year. Costs of the LC shall be borne by the Generator.

4. TSP may by written notice to Generator require Generator to increase, replenish, or replace the Security from time to time i) if TSP determines in its reasonable discretion that the remaining Security is not adequate to cover the costs that TSP then reasonably estimates could become payable pursuant to this Agreement, ii) in the case of a letter of credit, if at any time the credit rating of the bank issuing the letter of credit no longer meets the criteria set forth in Section 3 above, or iii) in the case of a guaranty, if at any time the creditworthiness of the guarantor is no longer reasonably acceptable to TSP. Generator will tender any such increase, replenishment, or replacement to TSP within thirty (30) days of such notice. Any increase, replenishment, or replacement Security shall meet the requirements of this Exhibit "E". No forbearance or delay on the part of TSP in requiring an increase, replenishment, or replacement of the Security will be a waiver of its right to do so.

5. Upon receipt of Security, TSP will promptly proceed with the work required to meet the In-Service Date.

EXHIBIT "E-1"
FORM OF CORPORATE GUARANTY

GUARANTY

THIS GUARANTY is executed as of the ___ day of _____, _____ between _____, a _____ corporation (the "Guarantor"), and AEP Texas Central Company, a Texas corporation (the "Counterparty")

RECITAL

Los Vientos Windpower IA, LLC, a Delaware limited liability company (the "Company"), and the Counterparty have entered into an Interconnection and Operation Agreement, dated as of _____ hereof (the "Agreement"). As an inducement to the Counterparty to enter into the Agreement and for other good and valuable consideration, the receipt, and sufficiency of which are hereby acknowledged, the Guarantor covenants and agrees as follows:

1. Guaranty of Payment. The Guarantor hereby irrevocably and unconditionally guarantees the due punctual and full payment of any and all obligations of the Company to the Counterparty now or hereafter due pursuant to the Agreement (the "Guaranteed Obligation"), subject to the limits set forth herein. Upon any failure by the Company to pay any of the Guaranteed Obligation, the Guarantor agrees that it will forthwith on demand pay any amounts which the Company has failed to pay the Counterparty, at the place and in the manner specified in the Agreement. This guaranty is a guaranty of payment and not merely a guaranty of collection. The Guarantor agrees that the Counterparty may resort to the Guarantor for payment of any of the Guaranteed Obligation, whether or not the Counterparty shall have resorted to any collateral security, or shall have proceeded against any other obligor principally or secondarily obligated with respect to any of the Guaranteed Obligation. Guarantor reserves the right to assert defenses, which the Company may have to payment of any Guaranteed Obligation other than defenses arising from the bankruptcy, insolvency, or similar proceeding of the Company and other defenses expressly waived hereby.

2. Guaranty Unconditional and Absolute. The obligations of the Guarantor hereunder shall be unconditional and absolute and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by:

(i) any extension, renewal, settlement, compromise, waiver, discharge, or release in respect of any Guaranteed Obligation of the Company;

(ii) the existence, or extent of, any release, exchange, surrender, non-perfection, or invalidity of any direct or indirect security for any of the Guaranteed Obligation;

(iii) any modification, amendment, waiver, extension of or supplement to the Agreement or any of the Guaranteed Obligation agreed to from time to time by the Company and the Counterparty;

(iv) any change in the corporate existence (including its constitution, laws, rules, regulations or powers), structure or ownership of the Company or the Guarantor, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets, the Guarantor or any other guarantor of any of the Guaranteed Obligation;

(v) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Company, the Counterparty or any other corporation or person, whether in connection herewith or in connection with any unrelated transaction; provided that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim if such claim, set off or other right arose in connection with the Guaranteed Obligation.

3. Term: Reinstatement in Certain Circumstances. This Guaranty shall remain in full force and effect until the earlier of i) expiration or termination of the Agreement, ii) _____. Such termination shall not release Guarantor from liability for any Guaranteed Obligation arising prior to the effective date of such termination. If at any time any payment of any of the Guaranteed Obligation is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy, or reorganization of the Company, the Guarantor's obligations hereunder with respect to such payment shall be reinstated at such time as though such payment had not been made.

4. Waiver by the Guarantor. The Guarantor irrevocably waives acceptance hereof, diligence, presentment, demand, protest, notice of dishonor, notice of any sale of collateral and any notice not provided for herein, and any requirement that at any time any person exhaust any right to take any action against the Company or its assets or any other guarantor or person.

5. Subrogation. Upon making any payment hereunder, the Guarantor shall be subrogated to the rights of the Counterparty against the Company with respect to such payment; provided that the Guarantor shall not enforce any right or receive any payment by way of subrogation until all of the Guaranteed Obligation then due shall have been paid in full and Counterparty agrees to take at Guarantor's expense such steps as the Guarantor may reasonably request to implement such subrogation.

6. Stay of Acceleration Ineffective with Respect to Guarantor. In the event that acceleration of the time for payment of any amount payable by the Company under the Agreement is stayed upon the insolvency, bankruptcy or reorganization of the Company, all such amounts otherwise subject to acceleration or required to be paid upon an early termination pursuant to the terms of the Agreement shall nonetheless be payable by the Guarantor hereunder forthwith on demand by the Counterparty.

7. Assignment: Successors and Assigns. Neither the Guarantor nor the Counterparty may assign its rights or obligations under this Guaranty without the prior written consent of the other, which consent may not be unreasonably withheld or delayed, except that:

(i) the Guarantor may make such an assignment without such consent if a) in conjunction with the assignment by the Obligor of all of its rights and obligations under the Agreement and the assignee's long-term senior unsecured debt has an investment grade rating by Standard and Poor's ("S&P") or Moody's Investor Services, Inc. ("Moody's"), or if the assignee does not have a long-term senior unsecured debt rating, then the rating assigned to such entity as its Corporate Credit Rating by S&P or Issuer Rating by Moody's shall be investment grade; b) the Obligor ceases to be a person or entity controlled by, controlling or under common control with the Guarantor and the assignee's long-term senior unsecured debt has an investment grade rating by S&P or Moody's, or if the assignee does not have a long-term senior unsecured debt rating, then the rating assigned to such entity as its Corporate Credit Rating by S&P or Issuer Rating by Moody's shall be investment grade or c) to an entity whose long-term senior unsecured debt has an investment grade rating by S&P or Moody's, or if the assignee does not have a long-term senior unsecured debt rating, then the rating assigned to such entity as its Corporate Credit Rating by S&P or Issuer Rating by Moody's shall be investment grade; provided that in regard to any assignment contemplated under this subsection 7 (i), Guarantor must provide notice of any assignment, Guarantor's obligations hereunder must be expressly assumed in writing, in a form reasonably acceptable to the Counterparty, and Counterparty reserves the right to evaluate the current financial condition of any assignee and must acknowledge and accept such assignee before any assignment can take effect; provided further that such assumption shall be deemed to release the Guarantor from all of its obligations under this Guaranty automatically and without further action by the Guarantor or the Counterparty, and

(ii) the Counterparty may, upon thirty (30) days prior written notice, make such an assignment without such consent if in conjunction with any assignment of the Agreement by the Counterparty permitted under the Agreement.

(iii) Guarantor and Counterparty recognize that Obligor may make a full or partial assignment of the Agreement to any Affiliate of Obligor without Counterparty's consent, provided that in such event this Guaranty shall continue in full force and effect for the benefit of Counterparty as to the assignee, whether one or more. Further, in the event of one or more partial assignments of the Agreement by Obligor to Affiliate(s) of Obligor, A) each assignee shall be deemed a Generator under the Agreement for the purpose of and only to the extent of its assigned interest and B) Counterparty shall pursue any rights with respect to the Agreement only against the assignee to the extent of its interest therein, it being understood that the assignees shall have several liability, but not joint liability, under the Agreement to the extent of their respective assigned interests.

(iv) Any purported assignment in violation of this Section 7 shall be void and without effect.

8. Amendments and Waivers. No provision of this Guaranty may be amended, supplemented, or modified, nor any of the terms and conditions hereof waived, except by a written instrument executed by the Guarantor and the Counterparty.

9. Remedies Cumulative. The rights, powers, remedies, and privileges provided in this Guaranty are cumulative and not exclusive of any rights, powers, remedies, and privileges provided by law and any other agreement.

10. Limitation. Notwithstanding anything in this Guaranty to the contrary, Guarantor's liability under this Guaranty and the Counterparty's right of recovery under the same shall be limited to an aggregate amount of _____ Dollars (\$_____). Guarantor's liability hereunder shall be and is specifically limited to payments expressly required to be made under the Agreement (even if such payments are deemed to be damages); and in no event shall Guarantor be subject hereunder to consequential, exemplary, equitable, loss of profits, punitive, or any other damages, except to the extent specifically provided in the Agreement to be due from Company. In the event Counterparty engages in litigation to enforce this Guaranty, Guarantor agrees to pay, in addition to any amounts of Debtor which Guarantor has otherwise guaranteed to pay hereunder, any and all costs and expenses incurred by Counterparty (including reasonable attorney's fees) in enforcing this Guaranty provided Counterparty is successful in such litigation.

11. Waiver of Jury Trial. The Guarantor and the Counterparty, through acceptance of this Guaranty, waive all rights to trial by jury in any action, proceeding or counterclaim arising or relating to this Guaranty.

12 Representations and Warranties.

(A) The Guarantor is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation and has full corporate power to execute, deliver and perform this Guaranty.

(B) The execution, delivery, and performance of the Guaranty have been and remain duly authorized by all necessary corporate action and do not contravene any provision of law or of the Guarantor's constitutional documents or any contractual restriction binding on the Guarantor or its assets.

(C) All consents, authorizations and approvals of, and registrations and declarations with, any governmental authority necessary for the due execution, delivery and performance of this Guaranty have been obtained and remain in full force and effect and all conditions thereof have been duly complied with, and no other action by and no notice to or filing with, any governmental authority is required in connection with the execution, delivery, or performance of this Guaranty.

(D) This Guaranty constitutes the legal, valid and binding obligation of the Guarantor enforceable against the Guarantor in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles.
