**TERMINATION OF THE
INTERCONNECTION AGREEMENT**

Between

Lower Colorado River Authority

and

Rio Nogales Power Project, L.P.

Dated

December 17, 2015

6261

TERMINATION OF INTERCONNECTION AGREEMENT

This Termination of Interconnection Agreement will serve as notice of termination of the Interconnection Agreement ("Agreement") effective April 21, 2000, and any subsequent amendment, entered into by and between the Lower Colorado River Authority ("LCRA") and Rio Nogales Power Project, L.P. ("RNPP"). RNPP ownership was assumed by the City of San Antonio acting by and through the City Public Service Board ("CPS Energy") and assignment of the "Agreement" to CPS Energy was effective on April 9, 2012.

The "Agreement" is superseded and replaced by a separate agreement, the Interconnection Agreement between CPS Energy and LCRA Transmission Services Corporation ("LCRA TSC") entered into on January 12, 2007 and its "Sixth Amendment to Interconnection Agreement" entered into on 12/17, 2015, that now governs the interconnection of the CPS Energy-owned Rio Nogales Substation to the LCRA TSC owned Clear Springs Substation, via two 345 kV transmission lines constructed on double-circuit towers. Termination of the Agreement is requested pursuant to Article II (Interconnection Facilities), Section 2.10 and Article V (Term), Sections 5.1 and 5.2 of the "Agreement".
