Re: Project No, 35113, *Industrial Customers Notification Under PURA §39.904 (m-1)*

Dear Filing Clerk,

Pursuant to 16 TAC § 25.173(j) and PURA § 39.904(m-1), NRG Energy, Inc. ("NRG") timely submits the following written notification to opt-out of participation in the mandatory goal for renewable energy for the 2017 and 2018 compliance periods for the following accounts:

NRG and its affiliates operate facilities located in Baytown, Gregory, Houston, La Porte, and Thompsons, Texas. These facilities are eligible for exemption under the rule. The specific identifying information required by 16 TAC § 25.173(j)(3), including each facility's ESI IDs, and the retail entities serving those ESI IDs is included separately as a confidential attachment to this letter. This attachment contains confidential and proprietary customer information as defined by 16 TAC § 25.275(c) and is therefore exempt from disclosure under Tex. Gov't Code § 552.

Thank you for your attention to this matter.

Very Truly Yours,

Mark A. Walker
