Re: Project Number 36141 – Quarterly Performance Measures Report for Third Quarter
2010, NextEra Energy Power Marketing, LLC

Dear Mr. Galloway:

Please accept for filing in the above-referenced proceeding the performance measures report of NextEra Energy Power Marketing, LLC ("PML") for the third quarter of 2010. An original and three copies of same are provided. The measures required for retail electric providers ("REPs") are:

Measure A-1 Customers served by Non-Affiliated REPs
Measure B-3 Billing Success

Attached is the required report attestation, which is being filed publicly. PML is also submitting confidentially and under seal the information for the two measures set forth above. PML is submitting this confidential information consistent with PUC Proc. R. 22.71.

PML did not serve any customers during the reporting period of which pre-payments were required, and therefore does not have any responsive information to submit regarding disconnects/reconnects for non-payments. PML notes that in connection with Measure A-1, which requires it to file both paper and electronic copies of its DOE EIA-826 reports, PML has submitted only the paper copies of these reports because it did not separately maintain electronic copies of same.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Todd Kimbrough". To the right of the signature, the initials "KB" are written in a smaller, handwritten font.
