Re: *Project No. 36141, Quarterly Report of Performance Measures for the Retail Electric Market Pursuant to PUC Subst. R. §25.88 – 1st and 2nd Quarters 2012 for BP Energy Company*

Dear Filing Clerk:

Please accept for filing in the above-referenced proceeding the Performance Measures for the Retail Electric Market report for BP Energy Company (BPEC) for the first and second quarters of 2012. BPEC provides services as a REP under the authority of Certificate # 10038.

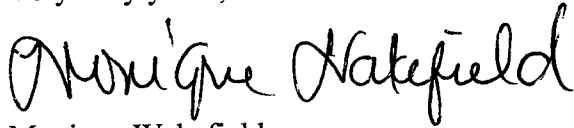

BPEC considers the revenue, MWhs sold, and the number of customers reported in the EIA-826 forms provided for Measure A-1 to be privileged and confidential trade secrets, and commercial and financial material, of which public disclosure would cause significant and substantial harm to BPEC. The EIA also treats this information as sensitive and protected information that is not disclosed to the public under 10 CFR1004.11, the Department of Energy regulations implementing the Freedom of Information Act. As such, BPEC requests the Commission likewise treat the EIA-826 forms as confidential material exempt from public disclosure under the Texas Public Information Act, Texas Government Code, Ch. 552, Sections 552.101 and 552.110.
