**TEXAS-NEW MEXICO POWER COMPANY'S
AMENDED PERFORMANCE MEASURES REPORT
FOR THE FOURTH QUARTER OF 2012**

Texas-New Mexico Power Company (TNMP) hereby files corrections to its Performance Measures Report for the Fourth Quarter of 2012, which was filed on February 13, 2013 pursuant to P.U.C. SUBST. R. § 25.88(c)(2).

In preparation of the Q1 2013 Performance Measures Report, TNMP identified a programming error in the query and collection of data. TNMP investigated and traced the error back to system changes made in early 2013 and made the appropriate corrections. Upon further review, TNMP became aware that the data compiled and reported in the Q4 2012 Report reflected this error as well. TNMP therefore compiled an Amended Q4 2012 Performance Measures report. As required by P.U.C. SUBST. R. §25.88(c)(3), TNMP is designating the attached Amended Performance Measure Report as Confidential Information subject to the provisions in P.U.C. Proc. R. 22.71.

Respectfully submitted,

TEXAS-NEW MEXICO POWER COMPANY
