Re: **Project No. 36141; *Performance Measures for the Retail Electric Market***

Dear Filing Clerk:

Pursuant to P.U.C SUBST.R §25.88, retail electric providers (REP) are required to submit on a quarterly basis certain information to allow the commission to evaluate the performance of the retail electric market in Texas.

Please be advised that AEP Energy, Inc. d/b/a BlueStar Energy Solutions, a registered REP, has not served any customers during the following reporting period: October – December 2013. Therefore, we do not have any information to submit in Project No. 36141 for the period listed above.

Please contact me if I can be of further assistance.

Regards,

BLUESTAR ENERGY SOLUTIONS

/s/ Michael R. Borovik
