**RE: Filing Correction - Project No. 36141 - Performance Measures for the Retail Electric Market**

Enclosed please find Oncor Electric Delivery's revised Quarterly Performance Measures Report for the third quarter of 2009, pursuant to P.U.C. Subst. R. 25.88.

The switch transactions received (814-03s, row T1) and sent (814-04s, row T2) for September were overstated and have been corrected to reflect actual volume. This error was due to a database issue that has been resolved. We apologize for any inconvenience.

In accordance with the PUCT Filing Requirements for Performance Measure Reporting Pursuant to P.U.C. Subst. R. 25.88 Instructions, the information for Measures A-1 is being filed as "Confidential." Accordingly, attached hereto is a sealed envelope containing the requested information. Measure A1 has been marked with the words "Confidential."

In addition, pursuant to P.U.C. Subst. R. 25.88(e)(2), I attest that the information provided has been reviewed internally for accuracy and I have the authority to make these reports on behalf of Oncor Electric Delivery.

Sincerely,

A handwritten signature in cursive script that reads "Brenda Jackson".
