RE: Project No. 37276/ Subst. Rule §25.53/ Notice of Emergency Operations Drill

Dear Sir/Madam,

In compliance with PUCT Subst. Rule §25.53, this letter serves as notice that MidAmerican Energy Company has scheduled its annual emergency operations drill to take place on October 11 and October 20, 2016, at which time we will test our emergency procedures.

There have been no significant changes to our Emergency Operations Plan which was filed on April 30, 2009. A complete copy of the Emergency Operations Plan is available for inspection at our Texas office located at 4201 Spring Valley Road, Suite 1410, Dallas, TX, 75244. In addition to this original letter, I have enclosed nine (9) copies.

If you have any questions regarding MidAmerican Energy's Emergency Operations Plan or the upcoming drill please don't hesitate to contact me at (515) 242-3488 or via e-mail at cforristall@MidAmericanEnergyServices.com.

Respectfully submitted,
