INSTRUCTIONS

DEFINITION OF THE WORD "DOCUMENT"

In the following questions, the word "document" includes any written, recorded or graphic matter, however produced or reproduced, including but not limited to correspondence, telegrams, contracts, agreements, notes in any form, memoranda, diaries, voice recording tapes, microfilms, pictures, computer media, work papers, calendars, minutes of meetings or other writings or graphic matter, including copies containing marginal notes or variations of any of the foregoing, now or previously in your possession.

In the event any documents requested by this Request for Information have been transferred beyond the Company's control, describe the circumstances under which the document was destroyed or transferred and provide an exact citation to the subject document.

In the event that documents containing the exact information do not exist, but documents do exist which contain portions of the required information or which contain substantially similar information, then the definition of "documents" shall include the documents which do exist and these documents will be provided.

COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION TO
ROY AND PEGGY KNOWLES
QUESTION NOS. AB-1-1 THROUGH AB-1-10

- AB-1-1 Please identify the route and the link or segment of that route on which your property is located.
- AB-1-2 If you are not the only owner of your property affected by Oncor's proposed transmission line, please identify the other owner(s).
- AB-1-3 Please describe (1) where on your property each house, barn, or other improvement is located, (2) where it is located in relation to the proposed transmission line, and (3) its distance from the proposed transmission line.
- AB-1-4 Are your property boundaries represented accurately on the maps provided by the utility? If not, please explain any discrepancies.
- AB-1-5 What is the primary use for the property you own that will be impacted by the proposed transmission line?
- AB-1-6 In your opinion, is there any feature about your land that you believe would impact the development of a transmission line on your property? If so, please explain.
- AB-1-7 What are your specific concerns about the proposed transmission line?
- AB-1-8 If you object to any route Oncor has proposed based on a possible adverse effect it would have on your property, please (1) list each of those adverse effects, (2) describe in detail exactly how your property will be affected, and (3) if the adverse effect is primarily economic, please so state. Please provide or identify any documents that support your objection.
- AB-1-9 Did you attend any open houses presented by the utility concerning this proposed transmission line? If so, when and where? Did you provide written comments at or after the open house?
- AB-1-10 What specifically do you propose as a solution to your concerns in this docket? If a solution would be routing the transmission line along another part of your property, please describe as closely as possible where you propose the route should run.
