Commissioners, as Friday approaches I want to take another opportunity to express our support of your recent decision to deny the Gillespie to Newton CCN application. Burnet County Commissioner's Court appreciates your continued effort to question the mere necessity of this enormous project.

The State of Texas is facing a huge responsibility to cut costs in the upcoming budget...we see this project as an opportunity to explore a substantial cost savings to the people of Texas.

I am unable to attend the meeting on Friday. However, two Burnet County Commissioners will be there to demonstrate our continued support from this Court.

I assure you that Burnet County Commissioner's Court will continue to be involved in this process and are always available for comment and participation.

Sincerely,

Judge Donna Klaeger
