- I am NOT a party to this case;
- My comments are not considered evidence in this case; and

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☒ One or more of the utility's proposed routes would cross my property.

☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. The existing Routes should be used. My property would be worth less with the new lines & easements. The production of the land would decrease, grazing hunting, the beauty of the land will be gone when the towers are raised. Health issues for my family and animals.
