RESPONSE TO RFI FROM KANE-GLENSPRINGS RANCH, LTD – RFI RECEIVED 12/16/2009

1-1 Identify the alternate route, or routes, that you prefer.

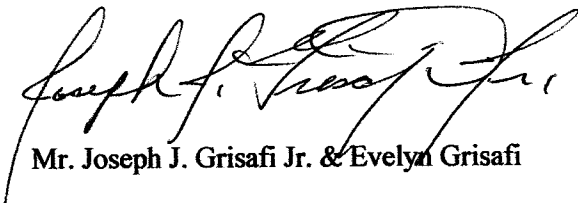

This request appears to be finger pointing. Don't put it on mine, put it on yours. Some of us will lose. Some of us will walk away sighing a breath of relief. LCRA will come out the winner no matter where it goes. Whichever route is chosen those landowners will give up something they love and cherish, including us.

See my Statement of Position, which will be forthcoming.

1-2 State which of these links traverse your property.

Our link, C18, is shown in routes GN6 and GN7. Do I want it here? Obviously not.

I certify that on this day, December 18, 2009, a true and correct copy of the foregoing document was sent to the PUC, who thereby will make listing on the interchange.puc listing.
