- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. I have

lived in the Kempner area for 8 years. I enjoy bicycling and driving
around the area. CR 223 is the most scenic road that I have
traveled in the area. A powerline along the road & river would
complete change this scenic area. I've noticed that lots of people
enjoy traveling this road to view the scenery.
