To Whom It May Concern:

Recently I received a notice from Entergy Texas, Inc. concerning a Supplemental Notice Of Rate Change Request. Nothing could have surprised me more then for a large company like Entergy Texas to request a rate increase in such bad economic times.

I am sixty nine years old and living on a fixed income. As the economy worsened I have lost fifty seven percent of my life savings. My wife and I are living on Social Security and a rather small supplement. In fact, we did not pay any income taxes for 2009 because of loss of income.

Please accept this letter as a request to denial for any rate increase and a formal complaint against Entergy Texas.

Cordially,

Johnnie E. Bauer
