- 1-1 Please refer to the letter by Karen B. Hardin of TPWD addressed to Russell Marusak of Halff Associates, Inc., dated June 29, 2009, and included as pages A-351 through A-356 of the Application. On the first page of this letter, page A-351, Ms. Hardin refers to an "attached compact disc" provided by TPWD that includes TPWD's full analysis and general recommendations regarding the proposed 345 kV transmission line. Please produce a copy of this compact disc referenced by Ms. Hardin in her letter.
- 1-2 Please state the date of production for the maps used as part of the Application in Volume 4, Figure 3-1A-J .
- 1-3 Please provide any Shade files Oncor has used or collected for any of the information in the Application.
- 1-4 Please provide any and all of Oncor's files regarding B.A. Tim Hall or his properties.
- 1-5 Please provide any and all of Oncor's files regarding Marvin Tyson or his property.
- 1-6 Please provide any and all of Oncor's files regarding the Gray Wynn Klein Ranch or any of its owners.
- 1-7 Provide copies of any data or research collected by or for Oncor related to potential security or reliability concerns of locating segment K3 in parallel to an aging pipeline conveying high-pressure volatile fuels, or paralleling CREZ lines along pipelines in general.
- 1-8 Provide copies of any data or research collected by or for Oncor related to the likelihood of a single event destroying or incapacitating parallel CREZ lines.
- 1-9 Provide copies of any data or research collected by or for Oncor related to the optimum distance for spacing CREZ lines to reduce the likelihood of a single event destroying or incapacitating parallel CREZ lines.
- 1-10 Provide copies of any data or research collected by or for Oncor related to difficulties in routing a segment along Highway 287 on the stretch between the towns of Jolly and Bellevue.
