Re. PUC # 38230

My answers to John A. Matthews, Jr. first set of questions:

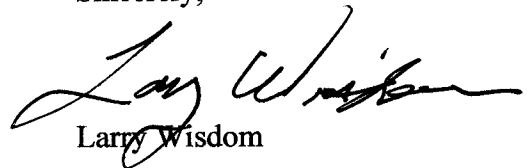

Request No. 1-1:

This is a poorly worded question! "Sam Switch/Navarro" is not a single destination. If your question covers the area between Central A and Sam Switch, the answer is NO. If your question covers the area between Central A and Navarro, the answer is YES.

Request No. 1-2: BBB

Request No. 1-3: (1) Until Lone Star provides me with a scaled, detailed map, I can't answer this question. (2) NO, (3) NO, (4) NO, (5) N/A

Sincerely,

Larry Wisdom
