**BOSQUE TRANSMISSION GROUP, INC.'S SUPPLEMENTAL RESPONSE TO
LONE STAR TRANSMISSION, LLC'S FIRST REQUEST FOR INFORMATION,
QUESTION NO. 2**

TO THE HONORABLE PUBLIC UTILITY COMMISSION OF TEXAS:

NOW COMES Bosque Transmission Group, Inc. ("BTG") and timely files this Supplemental Response to Lone Star Transmission, LLC's First Request for Information, Question No. 2 which was received by BTG on August 16, 2010.

I. WRITTEN RESPONSES

Attached hereto and incorporated herein by reference are BTG's written supplemental responses to the aforementioned request for information. Each such supplemental response is set forth on or attached to a separate page upon which the request has been restated. Such supplemental responses are made in the spirit of cooperation without waiver of BTG's right to contest the admissibility of any such matters upon hearing. BTG hereby stipulates that supplemental responses may be treated by all parties exactly as if they were filed under oath.

II. INSPECTIONS

In those instances where materials are to be made available for inspection by request or in lieu of a written supplemental response, the attached supplemental response will so state. For those materials that a supplemental response indicates may be inspected at the Austin voluminous room, please call in advance for an appointment in order to assure that there is sufficient space to accommodate your inspection. To make an appointment at the Austin voluminous room, located at the offices of Winstead PC, 401 Congress Avenue, Suite 2100, Austin, Texas 78701, or to review those materials that a supplemental response indicates may be

inspected at their usual repository, please call Karyn Veazey at (512) 370-2943. Inspections will be scheduled so as to accommodate all such requests with as little inconvenience to the requesting party and to company operations as possible. BTG will be as cooperative as possible in making the requesting party's time as productive as possible and appreciates the requesting party's understanding of the logistical problems faced by BTG.

Respectfully submitted,

WINSTEAD PC
