FILING CLERK

**SOAH DOCKET NO. 473-10-4398
PUC DOCKET NO. 38230**

**LONE STAR TRANSMISSION, LLC'S
FIRST REQUEST FOR INFORMATION
TO
JOHN DOWNING**

The answers and responses to Lone Star Transmission, LLC were prepared by John Downing on 9/3/10 who resides at 6500 Torrey Pine Lane, Cleburne, TX 76033.

I did not file Testimony in PUC Docket No. 38230, the only document filed was a Statement of Position, reference PUC Interchange, filing No. 973. Therefore, this FRI is not applicable.

Lone Star Request No. 1:

For all direct testimony you file in this proceeding, please produce in their native format all attachments, exhibits and other documents appended to or filed in support of the direct testimony. This request includes but is not limited to all photographs, spreadsheets, diagrams, maps, and graphs filed with or in support of the direct testimony.

Response:

1304

I did not file Testimony in Docket 38230, the only document filed was a Statement of Positions, reference PUC Interchange, filing No. 973. Therefore, this FRI is not applicable.

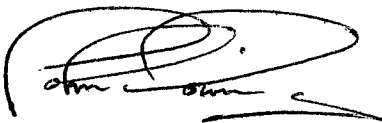

Lone Star Request No. 2:

Please produce all workpapers of each witness filing direct testimony on your behalf in this proceeding. This includes, but is not limited to, all documents, tangible things, reports, models, or data compilations that have been provided to, reviewed by, or prepared by or for the witness in anticipation of testifying in this docket.

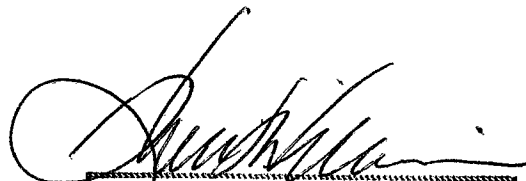

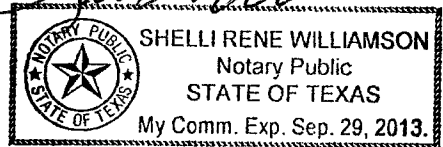

Response:

I did not file Testimony in Docket 38230, the only document filed was a Statement of Positions, reference PUC Interchange, filing No. 973. Therefore, this FRI is not applicable.

I certify that a true and correct copy has been served on Lone Star Transmission, LLC, via email as requested to LoneStarCCN@brownmccarroll.com and the original and five copies have been mailed to the Filing Clerk, PUC of Texas, 1701 N. Congress Avenue, Suite 8-110D Austin, TX 78701 on this 3rd day of September, 2010, and have been served on the other parties of record in accordance with Order No. 1, by filing with the PUC Interchange.
