Memorandum

To: Jeff Stuart, Legal Division

From: John Costello, Rate Regulation Division 

Date: June 4, 2010

Subject: **Tariff Control No. 38273** – Big Bend Telephone Company, Inc. -
Application for Changes to its Tariffs

Staff Recommendation

On May 14, 2010 Big Bend Telephone Company, Inc. filed an application to make administrative changes to its Local Exchange Tariff. The revisions: 1) correct the name of the Alamito Exchange; and 2) add the footnote “(3)” notation at the bottom of the page. The changes are not customer or rate affecting.

A review of the application and the attached tariff sheet indicates conformance with the explanations provided in the cover letter. All of the proposed changes are administrative in nature. Therefore, staff recommends that the application and the tariff sheet be approved as filed.

Any question on the matter may be directed to John Costello of the Commission Staff (512-936-7377).
