Re: Routes 3, 7, + 13, Link P, of 345,000 volt CREZ lines proposed
by Sharyland Utilities
These lines should not be allowed between
Amarillo + Canyon, which is already growing
(see attached)

toward each other. Negative effects between both towns include:

1. Xcel Energy substation with previous high voltage lines in the vicinity
2. Randall County Sheriff's office, Randall + Potter counties jail
Youth Center of the high plains (jail)
3. Sundown Lane Elementary School already has high voltage lines around 2 sides
4. High Plains children's homes just south
5. Randall High School nearby
6. Proposed housing + commercial building expected + already planned
7. Negative impact + resale values on property in place or proposed
8. A giant eyesore + possible safety hazard for anyone living or working between Amarillo + Canyon
9. A railroad possibly carrying hazardous materials

Please do not allow these lines between these two towns!
