<sup>OR MORE</sup>  
Please check one of the following:

- I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- One or more of the utility's proposed routes would cross my property.
- Other. Please describe and provide comments. You may attach a separate page, if necessary.

*This line also runs across the street from my grand children's school. Other schools will be built in this area. How could you put children's health at risk with these lines. There is so much open land in the Panhandle and you chose to destroy the growth of Amarillo and Canyon Texas*
