COMMISSION STAFF'S RESPONSE TO REQUEST FOR PROPOSED FINDINGS OF FACT AND CONCLUSIONS OF LAW

COMES NOW the Staff (Staff) of the Public Utility Commission of Texas (Commission), representing the public interest and files this Response to Request for Proposed Findings of Fact and Conclusions of Law.

SOAH Order No. 6 set October 8, 2010 as the deadline for parties to file proposed findings of fact and conclusions of law. Recent practice in CREZ proceedings has been such that the applicant utility generally provides proposed findings of fact and conclusions of law to Staff and other parties prior to filing them in the docket in order for Staff and such other parties to review the proposed findings of fact and conclusions of law in order to provide comments and possibly agree to the less controversial findings and conclusions. In this case, Staff did not receive proposed findings of fact and conclusions of law from Sharyland Utilities L.P., the applicant in this proceeding, until shortly before the filing deadline. Staff has therefore had insufficient time to review the proposed findings of fact and conclusions of law, requires additional time to review them and thus reserves its right to file its own proposed finding of fact and conclusions of law along with Staff's Reply Brief due on October 18, 2010.
