MOTION FOR INJUNCTIVE RELIEF

UPON CONSIDERATION, of facts presented in the Notice of Appeal demonstrating the flawed design of the Alternate Electric Energy, Plaintiff requests Sharyland Utilities, LP and Sharyland Utilities Transmission Line, LLP. cease and desist from doing business until their Alternate Electric Energy meets all the United States Codes for providing compatible Electricity into the power lines for homes, and business. The defects in the business records in the State Comptrollers office should be cured.

UPON CONSIDERATION, of the facts presented in the Notice of Appeal Defendant is requested to obtain Plaintiff's, Laurance Kriegel's, General Land Office map and abstracts to determine the exact location of the Electric Transmission Lines which may be on his property.

This Injunctive relief can be granted pursuant to Rule 687, Texas Rules of Civil Procedure.

Respectfully Submitted;
