Re: Docket 38290; Application:
Sharyland CREZ Line

Dear Commissioners:

Thank you for the opportunity to speak to you as a rancher and landowner at the open meeting last week. The Masterson & Stinnett Ranch, operated by my family for 90 years and five generations, has been an exemplary steward of the land, as recognized by our award presented by Governor Perry. We hope this current process will also acknowledge the efforts of those who place family and environmental continuity as leading priorities. Northern Route 1 will bisect the middle of the ranch without paralleling anything.

Your continued consideration of our concerns at the next open meeting is appreciated.

Sincerely,

Beaumont S. Boyce
