I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- One or more of the utility's proposed routes would cross my property.
- Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

The preferred route is best for me, even though it has a negative effect on the back of my property, but I am totally opposed to the alternate D route. The devaluation of my property would be enormous to future development especially crossing a small lake I built for sport fishing and duck habitat.
