WISE TRANSMISSION GROUP'S FIRST REQUEST FOR INFORMATION  
TO BARRY K. AND ROBIN E. EMERSON

Pursuant to P.U.C. PROC. R. 22.144, Wise Transmission Group ("WTG") requests that Barry K. and Robin E. Emerson (collectively, "Emerson") fully respond to the requests for information (RFIs) attached as Exhibit A to this pleading, within ten (10) days of receipt, pursuant to Order No. 1 in this proceeding.

Responses to the attached requests shall conform in all respects to the Commission's rules, including the requirement in P.U.C. PROC. R. 22.144 that they be made under oath. Responses shall identify the preparer or person under whose direct supervision each response was prepared, and the sponsoring witness, if any. Each request shall be answered separately; responses shall be preceded by the request to which the answer pertains.

Any questions regarding these requests should be directed to the undersigned.

## DEFINITIONS

The following definitions apply to each of the requests set forth herein and served subsequent hereto.

1. "You" or "your" includes, but is not limited to, Barry K. and Robin E. Emerson, and employees, agents, consultants, attorneys, and all persons acting on behalf of Barry K. and Robin E. Emerson.
2. "Emerson" refers to Barry K. and Robin E. Emerson.
3. "Documents" refers to all writings and records of every type in the possession, control, or custody of Emerson, including, but not limited to, memoranda, correspondence, reports (including drafts, preliminary, intermediate and final reports), surveys, studies (including, but not limited to, load flow, engineering, general economic and market studies), comparisons, tabulations, charts, books, pamphlets, photographs, maps, bulletins, minutes, notes, diaries, newspaper clippings, log sheets, ledgers, transcripts, microfilm, computer data files, tapes, inputs, outputs, and print outs, vouchers, accounting statements, engineering diagrams (including "one-line" diagrams), mechanical and electric recordings, telephone and telegraphic communication, speeches, and all other records, written, electrical, mechanical or otherwise.

"Documents" shall also refer to copies of documents, even though the originals therefore are not in the possession, custody, or control of Emerson, every copy of a document which contains handwritten or other notations or which otherwise does not duplicate the original or any other copy, and all attachments to any documents.

4. The term "communication" includes all verbal and written communications (including written records of verbal communications) of every kind, including but not limited to, telephone calls, conferences, letters and all memoranda or other documents concerning the requested item. Where communications are not in writing, provide copies of all memoranda and documents and describe in full the substance of the communication to the extent that substance is not reflected in the memoranda and documents provided and to the extent it is within the knowledge of Emerson.
5. "Environmental Assessment and Alternative Route Analysis" means Oncor's Environmental Assessment and Alternative Route Analysis for the Proposed CREZ Willow Creek - Hicks 345 kV Transmission Line Project in Wise, Denton, Parker and Tarrant Counties, Texas, dated June 2010, and prepared by Power Engineers, Inc.
6. "Identification" of a document includes stating (a) the nature of the document (e.g., letter, memorandum, corporate minutes), (b) the date, if any, appearing thereon, (c) the date, if known, on which the document was prepared, (d) the title of the document, (e) the general subject matter of the document, (f) the number of pages comprising the document, (g) the identity of each person who signed or initialed the document, (h) the identity of each person

- a. Please provide a copy of each response at the same time and in the same manner that you effect filing of your responses with the Public Utility Commission of Texas to:

- b. Please indicate at the bottom of each answer the name and job title of the person responsible for the preparation of the answer, and also indicate the name of the witness who will sponsor the answer.
- c. Unless otherwise indicated, the documents for which production is sought shall include all documents dated, prepared, sent or received during the designated period.
- d. Where a request can be answered in whole or in part by reference to the response to a preceding or subsequent request of Emerson, it will be sufficient to so indicate by specifying the response to the preceding or subsequent request by number and specifying whether it is claimed that the response to the preceding or subsequent request is a full or partial response. If the latter, the response to the balance of the request shall be completed.
- e. As to any request consisting of a number of separate subdivisions, or related parts or portions, a complete response is required to each part or portion with the same effect as if it were propounded as a separate request. Should an objection to a request be interposed, it should clearly indicate to which part or portion of the request it is directed.
- f. For each document identified in a response which is computer generated, state separately (a) what types of data files or tapes are included in the input and the source thereof, (b) the form of the data which constitutes machine input (punch cards, tapes, etc.), (c) a description of the recordation system employed (including program descriptions, flow charts, etc.).
- g. Responses to requests referring to documents shall include all documents relating to the time period specified in each of said request, whether prepared before, during, or after said period.
- h. In all cases where a request is made for information by year or years, indicate whether the information is provided on a calendar or fiscal year basis. If provided on a fiscal year basis, state the dates on which each fiscal year begins and ends.
- i. In the event any document requested herein is unavailable, describe in detail the reasons therefor.

shall describe every fact, statistic, inference, supposition, estimate, consideration, conclusion, study and analysis known to you which you believe to support the analysis, proposal, assertion, assumption, description, quantification, or conclusion which you contend to be evidence of the truth or the accuracy of the analysis, proposal, assertion, assumption, description, quantification, or conclusion.

- t. Any objection to a data request or part thereof shall be made specifically in writing. The objection shall be served within the time specified by the presiding examiner in for this proceeding.
- u. If a data request of Emerson is withheld on the basis of privilege, the withholding shall be individually identified in writing. The identification shall be served within the time specified by the presiding examiner for this proceeding and in accordance with the Rules of the Public Utility Commission of Texas, and shall:
  - (a) specify the date of the document, its author(s) (with title and designation of an attorney), and recipients (with title and designation if an attorney);
  - (b) contain a brief summary of the subject matter of the document; and
  - (c) contain a brief statement of the reason that, in your opinion, the assertion of privilege is justified.

WTG 1-8-E. In comparing the costs of various alternative links, did you include the cost of the land as developed by Highland Oaks? If so, what value did you assign to that land and how did it factor into your analysis?

WTG 1-9-E. In comparing the costs of various alternative links, did you include the increased value of lands adjacent to or near the Highland Oaks development? If so, what value did you place on those lands and how did it factor into your analysis?

WTG 1-10-E. In evaluating the impact of various alternative links, did you consider the losses in tax revenue, impact fees and other municipal utility fees to the City of Boyd as a result of link OO crossing City of Boyd boundaries? If so, please explain how these items were considered. If not, why not?
