**TCUC'S RESPONSE TO ORDER NO. 12**

COMES NOW, the Texas Coast Utilities Coalition ("TCUC") and files this Response to Order No. 12. Order No. 12 requires the parties to provide the ALJs an exhibit list in tabular form showing the exhibit number, a description, and a column for tracking admission or exclusion from evidence, as well as a list indicating the order in which witnesses will be presented. The parties are also instructed to include in this filing a list of the witnesses to be offered by other parties that they intend to cross-examination and an estimate of the amount of time they will need to conduct the examination. The order also instructed to parties to provide the court report with a list of exhibits in MS Word format. TCUC will provide this list to the court reporter.

TCUC in Attachment 1 to this filing provides an exhibit list. This exhibit list is not an exhaustive list of the exhibits that will be offered into the record. TCUC at this time has a multitude of outstanding RFIs on rebuttal testimony that will determine what additional evidence will be offered into the record in both the direct and rebuttal phases of the case. TCUC will update its exhibit list as necessary. The responses to the RFIs will also influence TCUC's decision to cross-examine certain witnesses or the time necessary to conduct a cross-examination. With the above listed reservations, TCUC offers the following list of witnesses it intends to cross-examine and the time necessary to conduct such cross-examination:

720

Dane A. Watson – 2.5 hours

Walter L. Fitzgerald – 15 minutes

Nara V. Srinivasa – 15 minutes

Daniel K. Hedges – 30 minutes

TCUC will present its witnesses in the following order 1) James Brazell and 2) Jacob Pous. CenterPoint was informed on September 28, 2010 that Mr. Pous is unavailable October 12-14. TCUC is currently in discussions with CenterPoint to resolve this conflict.

Respectfully submitted,
