**INTERVENOR'S (PAULA K. WILLIAMSON), ANSWERS TO COMMISSION
STAFF'S FIRST SET OF REQUESTS FOR ADMISSIONS TO INTERVENORS**

Staff RFA 1-1: Admit or deny that you do not own or reside in a habitable structure within 500 feet of the centerline of any proposed transmission line route in this docket.

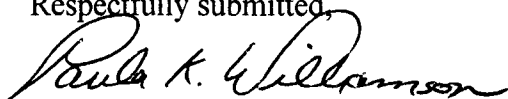

Answer: Cannot admit or deny at this time. I requested a map of the proposed transmission line. I received it but the map does not have a scale, there is no explanation of the blue lines and no depiction of my property lines. It appears that the proposed transmission line is near my West property line. There is an aerial view of my property but my property lines were not inserted. As soon as I have more information, I will supplement this answer.

Staff RFA 1-2: Admit or deny that the property boundaries for the property(ies) you own are accurately represented on the maps provided by LCRS TSA in its Application at Attachment No. 3, Sheets 1-28.

Answer: Deny. The map I received does not depict my property boundaries.

The undersigned was the sole preparer of these answers and stipulates that these responses for information can be treated by all parties as if the answers were filed under oath.

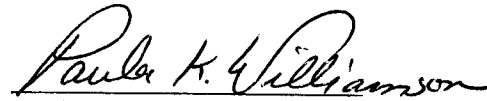

Respectfully submitted,

Paula K. Williamson
