**Staff 1-8** The transmission lines would substantially reduce our “usable” land for any type of dwelling. The visual landscape would drastically change also. Answer provided by Arlen Swanzy.

**Staff 1-9** No, we did not attend open house. Yes, we did provide written comments in request to intervene in PUC Docket No. 38354 (see copies). Answer provided by Arlen Swanzy.

Answer provided by Arlen Swanzy.

**Staff 1-13** Arlen and Trudy Swanzy. Answer provided by Arlen Swanzy.

**Staff 1-14** See attached property maps with proposed re-routes of transmission lines located on property. Answer provided by Arlen Swanzy.
