Commissioner Barry Smitherman, Chair  
Texas Public Utility Commission  
1701 N. Congress Avenue  
P.O. Box 13326  
Austin, Texas 78711-3326

Chairman Smitherman:

Thank you for your diligence and thoroughness in the recent CREZ transmission line docket involving the Tierra Linda Ranch Community. As a group we were impressed with your patience with and understanding of, each individual's plight as they came before you. Our experience gave us the confidence that you each had listened and considered not only to our pleas, but those of each intervenor.

We are grateful for your decision to use MK63. Thank you for your service to the great state of Texas.
